

I Respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. I simply love XM radio! I get the weather and traffic reports on a daily basis so that I can plan my commute to and from work. Local radio stations do not give me accurate reports and I can hardly receive many stations clearly. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear.  
Thank you for your time,  
Darren
